

Transformation pathway – individual

This package includes:

- Chakra reading

This is a typed document with channeled information about your 7 basic chakras. (blockages, activation, colour and state of your chakras, what to focus on ...) We will start with this to have an idea of where you are now. (Energy scan) After this reading, we will do an energetic healing session to remove blockages and/or implants as seen in the chakra reading.

- 1 remote energetic healing (1-hour session)

with a small report on the session; Information about blockages or messages associated with your 7 base chakras and your 4 lower bodies. We cleanse the 4 lower bodies and the physical chakras, we balance, we align your chakras. When a first layer of potential energy blockages is removed, we move to a deeper energy session via skype.

- Implant removal treatment

implant removal and deeper energy work. The session is recorded as audio format (mp3) and will be send to you by email. After this deeper work, we continue with an activation session.

- Channeled reading

3 questions may be asked about now momentum impressions, desires and needs to know. Contains channeled information. This is a word document sent to you by email. You are now ready to begin a Magical quest with your SELF and to discover your Multidimensionality.

- 10 guided sessions in person online

We meet 10 times with a 1-hour session each time and we work around the themes that are close to you, matched to your energy and path/needs. What do you need in order to transform, where lies your focus on or what are you wanting to look further into? The path will match you.

Every online session is audio recorded and send as an mp3 file.

This Pathway takes 6 months to complete. You will therefore receive guidance and support during these 6 months.
